**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who wants access to competitive broadband providers in my area. Competition is important so that I can make a choice based upon many factors including but not limited to price, support, policies, and corporate mission. Cellular access is spotty in my area so broadband is essential for me.
